

**RESOLUTION FOR PARTICIPATION IN  
ALL-HAZARDOUS MITIGATION PLANNING**

**-Nuckolls County-**

Whereas a joint All-Hazard Mitigation Plan identifies the vulnerability of public bodies to natural or man-made hazards and the projects that can be implemented to reduce or eliminate vulnerability exposure; and

Whereas FEMA now requires that a public entity must have a current All-Hazard Mitigation Plan in place before they are eligible for Federal funding for hazard mitigation projects and mitigation efforts resulting from natural disasters; and

Whereas the Little Blue and Lower Big Blue Natural Resources Districts are proposing to serve as the coordinating agencies for the development of a multi-jurisdictional All-Hazard Mitigation Plan for their respective Districts and a nine-county area including all of Adams, Clay, Fillmore, Gage, Jefferson, Nuckolls, Saline, Thayer, Webster and all associated local governmental entities; and

Whereas an Interlocal Agreement has been prepared describing the terms of participation in the multi-jurisdictional All-Hazards Mitigation Planning process; and

Whereas on January 7, 2008, the Nuckolls County Board of Commissioners, by motion, authorized the chairman to sign the Interlocal Agreement between the Natural Resource District's and Counties identified as Sponsors of the planning process; and

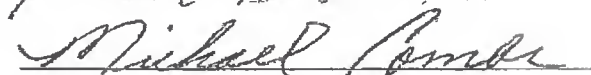

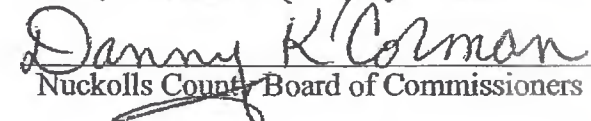

Whereas a resolution is necessary to authorize participation in the Interlocal Agreement; now, therefore be it Resolved that the Nuckolls County Board of Commissioners hereby approves participation in the proposed All-Hazards Mitigation Planning process described above, authorize the signing of the Interlocal Agreement between the Natural Resource Districts and Counties identified as Sponsors of the planning process, and pledges to attend required meetings and participate in those activities necessary to complete an effective plan for the public we serve.

IN WITNESS WHEREOF, this resolution was approved and executed this 20<sup>th</sup> day of October, 2008.
