

RESOLUTION FOR PARTICIPATION IN
ALL-HAZARDS MITIGATION PLANNING

JAN 08

~ Saline County ~
Resolution No. 2007-56

WHEREAS, a joint All-Hazards Mitigation Plan identifies the vulnerability of public bodies to natural or man-made hazards and the projects that can be implemented to reduce or eliminate vulnerability exposure, and

WHEREAS, FEMA now requires that an public entity must have a current All-Hazards Mitigation Plan in place before they are eligible for Federal funding for hazard mitigation projects and mitigation efforts resulting from natural disasters, and

WHEREAS, the Little Blue Natural Resource District and the Lower Big Blue Natural Resources District are proposing to serve as the coordinating agencies for the development of a multi-jurisdictional All-Hazards Mitigation Plan for their respective districts and a nine-county area including all of Adams, Clay, Fillmore, Gage, Jefferson, Nuckolls, Saline, Thayer and Webster counties and all associated local governmental entities, and

WHEREAS, an Interlocal Agreement has been prepared describing the terms of participation in the multi-jurisdictional All-Hazards Mitigation Planning process,

THEREFORE BE IT HEREBY RESOLVED that Saline County approves participation in the proposed All-Hazards Mitigation Planning process described above, authorizes the signing of the Interlocal Agreement between the NRDs and Counties identified as Sponsors of the planning process, and pledges to attend required meetings and participate in those activities necessary to complete an effective plan for public we serve.

IN WITNESS WHEREOF, this resolution was approved and executed this 11th day of December, 2007, in Wilber, Saline County, Nebraska.
