

## CONSTRUCTION UPDATE: 48TH STREET

### 48th Street Update

We anticipate that on Wednesday, April 19, 2006, traffic will move to the west lanes of 48th Street, between M and R Streets. Traffic will remain open to north and south-bound traffic, with a center turn lane.

### Accessing Businesses (April 19 - early September)

**Access from R Street only:**  
Armstrong Interiors,  
Schaeffer's, Merry Manor,  
Computer Renaissance, and  
Skate Zone (access from  
50th Street)

**Access from 48th Street:** Meineke, Advanced Auto Parts, Quality Suites, and all businesses along the west side of 48th Street (Target, Super Saver, Perkins, etc.)

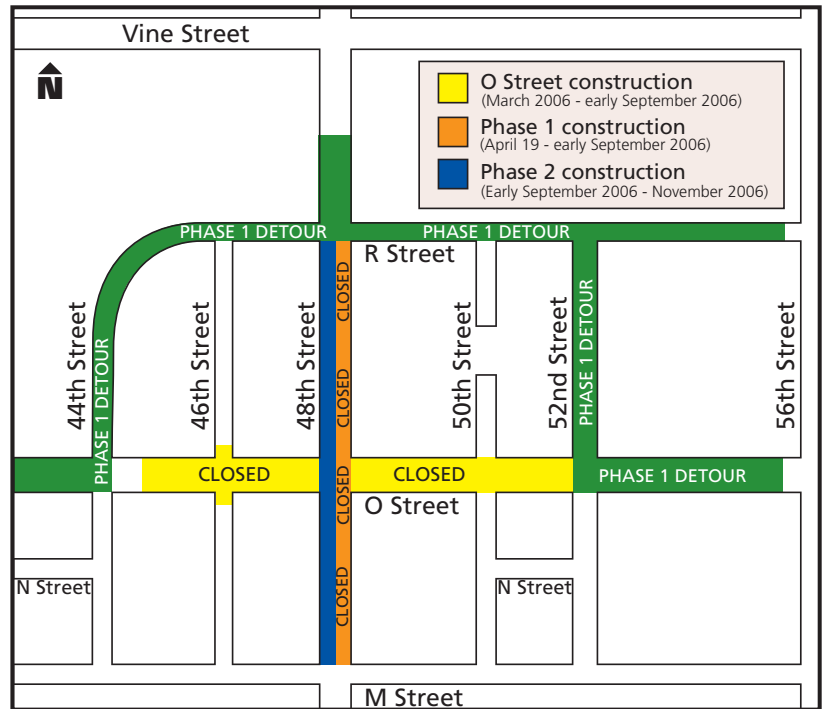

### Timeline Update

Completion of the east side of 48th Street is anticipated for early September 2006. At this time, traffic will move to the new east side lanes while the west half of 48th is constructed between M and R Streets.
